

**Presbytery of San Diego  
2023 Estimate of Mission Giving**

Church Name \_\_\_\_\_ Pin # \_\_\_\_\_

Just as our churches ask members to make estimates of their giving for the coming year, so does the Presbytery ask each congregation to make an estimate of support for Presbyterian mission. Doing so helps our presbytery's budgeting process and serves as an intentional act of faith that sustains the mission Presbyterians do together.

**2023 Estimate of *Shared Mission Giving*** to support the mission and ministry we do together as the presbytery, synod, and/or General Assembly. Shared Mission Giving from our churches provides 7% of the San Diego presbytery budget.

**Our Church estimates we will give \$ \_\_\_\_\_ in 2023.**

San Diego Presbytery retains 100% of Shared Mission Giving unless otherwise indicated.  
If you would like to allocate your gift differently, please indicate at what percentage:

\_\_\_\_\_ % Presbytery    \_\_\_\_\_ % General Assembly    \_\_\_\_\_ % Synod

**2023 Estimate of *Designated Mission Giving*** to support specific mission causes within the Presbytery in addition to Shared Mission Giving. For purposes of the budget for these mission causes, please estimate your church's contributions to:

**South Sudanese American Presbyterian Fellowship** \$ \_\_\_\_\_  
Ministers to the families of Sudanese refugees through worship, fellowship and pastoral support.

**Presbyterian Urban Ministry** \$ \_\_\_\_\_  
Provides services for persons in emergency situations who need resources to reach a solution for their present crisis.

**Other** \$ \_\_\_\_\_

**Total Designated Giving** \$ \_\_\_\_\_
